II. About the Professor

Dr. Erlito Marquez Albina (doc Earl) is a Licensed Professional Teacher (LPT) with 28 years of experience in the academe. Throughout his career, he has served in various leadership and academic roles, including Chairperson of the Information Technology Program, former Assistant Principal, ETTEAP Assessor for the BSIT Program, and faculty member in both the Graduate School and the College of Technology. He has also worked as a faculty researcher and college professor in several Catholic schools, colleges, and universities across the Philippines.

Dr. Albina earned his Bachelor of Science in Computer Science in 1998 and completed his Bachelor of Science in Information Technology through the Expanded Tertiary Education Equivalency and Accreditation Program (ETEEAP) at Lyceum of the Philippines University (LPU) Manila in 2021. He obtained his Master of Science in Computer Science from AMA Computer College – Makati Campus in 2013, as well as a Teacher Certificate Program and Master of Arts in Education from De La Salle University – Manila. As a CHED Scholar, he earned his Doctor of Information Technology degree from the Technological Institute of the Philippines – Manila.

As an active researcher, Dr. Albina has published papers in IEEE and Scopus-indexed journals and has presented his research at numerous local and international conferences in Japan, India, Thailand, Taiwan, and other countries. He served Lyceum of the Philippines University – Manila for fourteen years as a faculty member and administrator, holding key positions such as Program Chair in the IT Department and Professor in the Graduate Studies. He is currently connected with National University – Mall of Asia (NU MOA).

His outstanding accomplishments include being a CHED Scholar, graduating Summa Cum Laude, receiving recognition as an Outstanding High School Teacher, Outstanding College Faculty, and Outstanding University Faculty, and earning awards for Faculty Perfect Attendance and Outstanding Employee during his tenure as College Secretary at LPU Manila. He has also been recognized as a Research Peer Reviewer for various international conferences and has received Best Paper and Best Research Presentation awards in conferences held in Japan, Thailand, Taiwan, and other countries.

Dr. Albina is an Accreditor for the Philippine Association of Colleges and Universities Commission on Accreditation (PACUCOA), a Lead Internal Auditor for ISO at LPU Manila, and an active member of several professional organizations, including the National Organization of Professional Teachers, Inc., the Philippine Society of Information Technology Educators (PSITE), the Council of Deans and IT Education Leaders (CODITE), the Philippine eLearning Society (PeLS), and the Computer Science Teachers Association (CSTA), USA. He is also a Microsoft Certified Educator (MCE).

Among his notable recognitions are being consistently rated as the Most Outstanding Professor based on Student Faculty Evaluations and receiving the prestigious Adviser of the Year Award during the 18th Gawad Lycean 2026, held at The Bayleaf Hotel, Intramuros, Manila, in recognition of his exemplary mentorship and dedication to student development.

Dr. Albina is widely recognized for his personal tagline: “s**EARL**-bisyong Totoo!"

BLUE

Stands for the noble cause of the University.

GOLD

Portrays the unwavering dedication of the school to nation-building.

Our Goals

The National University provides a nurturing learning environment. It strives to continually innovate and improve its programs and services. Its programs are student-centered, experiential in methodology, competency-based and relevant in content. It shapes students into leaders and team players, provide them with essential skills to empower them to become global professionals with the right attitude toward success.

Our Vision

"We are National University, a dynamic private institution committed to nation building, recognized internationally in teaching and research."

Our Mission

"Guided by the core values and characterized by our cultural heritage of Dynamic Filipinism, National University is committed to providing relevant, innovative, and accessible quality education and other development programs."

Our Core Values

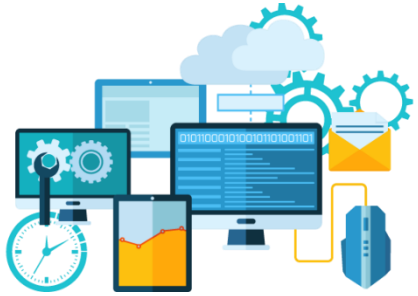

INTEGRITY

COMPASSION

INNOVATION

RESILIENCE

PATRIOTISM

Living in the IT Era

This course discusses the ethical implications of technology and impact of technology in our culture. It also examines communication and information technologies with influence on modern living, modern human relationship, and uses for personal, professional, and social advancement.

COURSE REQUIREMENTS

Submission/Passing of:

- Quizzes/Long Quiz
- Project

Major Exams

Course Outcome

Living in the IT Era

1. Analyze different ethical implications and impact of technology in our culture
2. Reflect on the impact of Industrial Revolutions 4.0
3. Evaluate how the communication and information technologies evolve and used by the millennial generation.

Course Outline
Living in the IT Era

Class Orientation
- University Mission & Vision
- College Mission & Vision
- Course Syllabi
- Lab Guidelines and Safety

Introduction to Information and Communication Technology

Digital Technology and Social Change

Digital Divide
- Dimension of the Gap , Bridging the Gap

Industry 4.0-
- Origins and history
- Industry 4.0 and Fourth Industry Revolution-Benefits
- Strategy and Implementation

Business Intelligence
- Introduction
- Excel Power Query

SAS
- Intro. to Concepts and Techniques Application

Course Outline
Living in the IT Era

Communication Technology

- Internet
- Social Media and myself
- Fact Checking

IT in the workplace

- Data privacy and Security

Grading System
Living in the IT Era

Percentage Allocation					
Components	CP	EA	MPT	CPT	Total
Midterm Grade	30	30	40		100
Final Grade	30	30	20	20	100

Grade Point Equivalence Table			
96 - 100	4.0	72 - 77	2.0
90 - 95	3.5	66 - 71	1.5
84 - 89	3.0	60 - 65	1.0
78 - 83	2.5	59 and Below	R

Grading System
Living in the IT Era

Class Participation (CP)		Enabling Activities (EA)		Major Performance Tasks (PT)		BONUS	Midterm Grade	Final Grade
Midterms (Week 1 to Week 7)	Post Midterms (Week 8 to Week 13)	Midterms (Week 1 to Week 7)	Post Midterms (Week 8 to Week 13)	MPT	CPT			

Grading System
Living in the IT Era

Assessment Task	- 50%
Long Exam	- 30%
MS Learn Activity	- 20%

Class Policies
Living in the IT Era

1. Attendance is necessary for each student to obtain maximum benefits for instruction, **80% attendance** or 69 hours for one trimester is required.
2. Failure to wear complete uniform will be considered an **absence** and the student will not be allowed to take any examination.
3. Special examination is only given for **excused absences**. Excuse letter duly signed by the parents/guardian or a medical examination (in case of sickness) is required.
4. Students may bring their cellular phones to class provided these are placed on **silent mode**. These should not be used during class hours except during extreme necessities. Cellular phones should be switched off during examinations.

Class Policies
Living in the IT Era

5. Students should be in **complete uniform** and exam permit should be presented during major examinations.
6. Any form of cheating **will not be tolerated**.
7. Students are expected to wait for **15 minute**s for a one (1) hour class and **20 minutes** for a one and a half (1½) hour class before leaving if the instructor is not around. However, the class president is expected to check with any CCIT professor if a substitute professor will take over.

Q. Dean's Honors List

The Registrar's Office is responsible for releasing the official list of honor students every term. Students on the list will receive a Certificate of Recognition.

Grading System
Deans Lister

To qualify, the student must:

- Attain a Term General Weighted Average (GWA) of at least 3.25 as indicated below:
  - Dean's First Honors List – GWA is 3.50 or higher
  - Dean's Second Honors List – GWA is from 3.25 to 3.49
- Carry a minimum academic load of 12 academic units unless specified otherwise in the program flowchart. **Note**: If the regular load for the term falls below 12 units, have the Registrar's Office validate your qualifying GWA for the term on or before the midterm period of the following term.
- No final grade below 2.5 in any course.
- No failing grade of F, R, or 0.00 in any course.
- No Officially Dropped (Dr) in any course.
- No incomplete (Inc) grade in any course at the time of award.
- Not have been found guilty of cheating or academic dishonesty as provided for in this Handbook.

Lecture Flow

I do.

We do.

You do.

It is better to get an honest zero, than a cheated one hundred.
